10) The cost of improvement works connected with the Municipal limits should be met from special funds which the State may separately make for the purpose they should not be charged on the ordinary Town improvement grants. Sir

With reference to G O No 1302-11/M1 107-28-20 dated 26th August 1929 directing the distribution of a grant of Rs 7500/- for special improvements to Shimoga Town and a sum of Rs 8000/- for the improvement of town and minor Municipalities in the Shimoga District out of the total grant of Rs 1,00 000/- provided in the current year's State Budget under "30 - grants for Public Improvements - grants to town and minor Municipalities" and keeping a sum of Rs 9830/- as reserve to meet urgent unforeseen expenses in future I have the honor to bring to your kind notice that the grants made to the Shimoga Town and District are quite in-sufficient in view of the fact that certain special improvement works have to be undertaken along the Viceregal route in Shimoga Kumsi and Sagar towns and also a sum of about Rs 5090/- (2112/- survey charges 2500/- Sagar town hall scheme grant Balance for the Ganapathikatte improvement) has to be set apart on account of the Shimoga town survey charges Sagar Town hall scheme and cost on account of a parapet wall to the Ganapathikatte at Sagar

Even the last year's grant of Rs 7500/- to the Shimoga Town municipality was found insufficient and it had to be supplemented

supplemented by an additional sum of Rs 1000/- out of the District grant This year the municipality has prepared an elaborate programme of works costing about Rs 30 000/- in the earnest expectation that Government would generously give a grant of at least Rs 15 000/- from Town Improvement grants In view of the ensuing Viceregal Visit it is absolutely necessary that the special items of work shewn in the annexed statment costing about Rs 12715/- should be taken on hand immediately One of the important items of work shown in the statement refers to the improvement of Nagar Bagal junction costing about Rs 7250/- Th is a very desirable and urgent item of work which is being put off from year to year for want of funds It is situated on the Ban alore - Honnavar road through which every distinguished visitor has to pass on his way to the famous Jog Falls I have to request that the present opportunity may be taken to complete this work Government have in their G No L 4884-86/M1 83-28 14 dated 25-1-29 been pleased to direct that the cost of Shimoga Town Survey charges amounting to Rs 2112/- should be paid this year out of the town improvement grant of Rs 7500/- which by itself is quite insufficient for improvement works

I have the honor therefore to submit for the favourable orders of Government that in view of the peculiar special circumstances of this year Government may be pleased to sanction an additional grant of at lest Rs 5000/- for Shimoga Town Improvement and order at the same time the deferring of the payment of Survey charges to next year if it is not possible to waive it as already requested

As regards the District Grant I have to submit that considering the grants to be paid for the Sagar Town Hall scheme and cost of parapet wall to Ganapathikatte at Sagar I was expecting a larger amount than that of last year But Government have been pleased to curtail the allotment by two thousand rupees Out of Rs 8000/- sanctioned this year a sum of Is 3500/ has to be earmarked for the Sagar Town Hall scheme and Ganapathikatte and a special grant of Rs 1500/- has to be sanctioned for

for the Kumsi and Sagar municipalities for improving and tidying up the Viceregal route Then there will be only Rs 3000/- left for distribution to nine municipalities for improvement works and this sum is quite inadequate for the purpose I request that an additional grant of at least Rs 4000/- may kindly be sanctioned to the District also

Finally I beg to suggest that the additional grant of Rs 9000/- (5000/- for Shimoga town and 4000/- for Shimoga District applied for by me may kindly be met out of the "reserve amount" of "30 - grants for public Improvements" or out of the grant sanctioned for expenditure in connection with the Viceregal visit I request you to kindly obtain the orders of Government immediately in the matter

DATED SHIMOGA 1st September, 1929

OFFICE OF THE COMMISSIONER Etc 4 SEP 1929 No 2139

I beg to bring to your kind notice that in view of the ensuing Viceregal visit it is found that the grants of Rs 7 500/- for special improvements to Shimoga Town and Rs 8 000/- for improvements of town and minor Municipalities in the Shimoga District sanctioned in Government Order No 1502-11/ML 107-28-20 dated 26th August 1929 are quite insufficient for the purpose The cost on account of Shimoga Town Survey charges amounting to Rs 2 114/- has to be met out of the grant for Shimoga Town Improvement as per orders of Government issued in this connection A sum of about Rs 3 500/- out of the District grant has to be ear-marked for Sagar Town Hall scheme and improvement of Ganapatnikatte the Government having agreed to bear a moiety of the cost of the Sagar Town Hall Scheme for which an estimate amounting to Rs 16 000/- has been sanctioned and towards which a grant of Rs 2 500/- was made last year out of the Town Improvement grants A special grant of Rs 1 500/- has to be sanctioned for Kumsi and Sagar Municipalities for improving and tidying up the Viceregal route Taking the above items of expenditure into consideration the amount that would be available for improvement works is only Rs 5 400/- for Shimoga Town Improvement and Rs 5 000/- for the other nine Municipalities in the District

The special improvements to be carried out for the Viceregal route alone in Shimoga Town cost about Rs 12715/- The grant of Rs 3 000/- available for distribution to nine Municipalities is thus quite insufficient I have therefore submitted a letter to the General Secretary to Government requesting that the payment of town surveying charges may be deferred to next year if it cannot be waived altogether and that an additional grant of Rs 9 000/- (Rs 5 000/- for town improvement and Rs 4 000/- for distribution to Municipalities) may kindly be placed at my disposal

I have also suggested that this additional grant may be met out of the reserve amount under "Grants for Public Improvements" or out of grant sanctioned for expenditure in connection with the Viceregal visit

As the special improvements in Shimoga Town have to be carried out immediately I have ventured to submit this representation to you direct with a view to get the matter expedited I request that you may be pleased to take into consideration the urgent necessity for incurring expenditure for special improvements this year and sanction the additional grant applied for by me

Dear Mr Ranga Rao,

In connection with the approaching visit of His Excelency the Viceroy to Jog Falls in the ensuing November, Government have sanctioned for the whole District a sum of Rs 5000 I am afraid practically the whole of this amount will have to utilised for making Camp arrangements at Jog, decorations or the way etc I will, of course, try my best to minimise the expenditure in all these directions

H E the Viceroy would be driving through Strickland circle in Shimoga Town This circle is a newly formed one and unless it is provided with railings, it does not look nice at all Mr Marker was at Shimoga on the 8th instant and he agrees with me

Foot paths have been formed on both sides of the new road leading from the Railway Station to this circle The work in that connection is also half finished and

and unless it is completed the whole road looks very shabby, and it is this road that H E the Viceroy has to take when going from the new Railway Station to join Bangalore-Honnvar road

Works connected with both Stickland circle and the foot paths had been undertaken before I took charge of the Muncipality and I think the Muncipality wanted to finish them as their funds permitted; but H E the Viceroy's visit is now coming and it will not do to leave them in half finished condition at the time of his visit

The Muncipality requires Rs 3500/- to finish these works and I request you to kindly move the Government to sanction this amount

The Town Improvement grant sanctioned to Shimoga Muncipality has already been alloted during my predecessor's time to other important and urgent works connected with the Muncipality, after the approval of the Muncipal council

I submit that my request may be considered favourably and urgent orders passed in the matter to enable me to go on with the works

The Muncipality has no other funds to incur this extra expenditure just now

Yours sincerely

M. A. Bukhari
